

Not To Use IWWA Logo Or Face Panalization:

There have been instances where some organization members/members of various categories are using the logo of IWWA for their Events/Commercial and or business use. This is not permitted. The Committee has given directions for legal action immediately as soon as such misuse is brought to our notice. The action is to be taken with immediate effect.

Those who have used this in the past please inform IWWA HQ and also give an under taking that this use will not be made in future or else be prepared to face legal notice and legal action.

Hon. Secretary General, IWWA.
